Dear Ms. Bianchin:

Re: Warning Signs at the ACS Site

Your letter of April 10, 1996 provided wording for the warning signs and we are prepared to order those signs. It is my understanding that ACS would like to modify this wording in that ACS and USEPA are discussing the wording further. We are prepared to have the warning signs ordered and placed by June 1, 1996, assuming that we get a clarification of the wording shortly.

Please let us know about the final wording as soon as it is resolved.

Should you have any questions, please call.

Sincerely,

CONESTOGA-ROVERS & ASSOCIATES
